Restaurant client which was one of my first clients using a Messenger Bot.

Currently paying me \$300/mo plus food and ad spend (SUPER low and I would never charge that low now, but I love the food and I'm able to test some stuff with bots and ads with this client):

- 5% conversion rate
- 100% open rate
- 99% click through rate

Even more importantly, **this campaign generated qualified leads for just 85¢ a piece!**
