- And again, I have your back and I will be here for you **NO MATTER WHAT!**

Let's dive in...

Foundation...

- One niche.
- 2-3 Ads... NOT ONE MORE!
- Know the basics (LLC, taking payment, what is an agency?)
- Social proof and knowing how to get results.
- Dedicated all your energy to building a productized service.
- ... OR ELSE YOU WILL DROWN. AND THAT'S IT.

After you have the foundation in place...

The 3 Pillars To A 7 Figure Agency...

- Creating sales opportunities *on demand (setting appointments)*
- Closing sales opportunities *(closing appointments)*
- And then firing yourself *(systems)*

After you have worked out the kinks and have the foundation in place.. The fastest way to accomplish the 3 pillars is allocating all your money to **cracking the code on paid ads and hiring VAs to systemize**

Cracking the code on paid ads and closing is **the single most important key to scaling... PERIOD!**

And having systems in place (VAs, team, SOPs, etc.) is will be the final step of entering the “FREEDOM KINGDOM.”

Now that you have the overview...

Let's wrap up with one last thing.

A reminder that there are ups and downs of an agency owner.

And that scaling + freedom requires hard work.
