Hi Hiring Team,

I'm Ivan du Plessis — a Media Buyer & Facebook Ads professional with experience producing high-performing ad creatives, analyzing campaigns, and building swipe libraries that accelerate client growth.

I handle ad creative production, campaign research, landing page alignment, A/B testing, and lead capture integration with speed, precision, and measurable results — ensuring campaigns hit their targets while freeing internal teams to focus on scaling and fulfillment. I also create workflows and documentation that streamline campaign management and improve ROI.
