Hi Hiring Team,

I'm Ivan du Plessis — a Kitchen Design Consultant with 10+ years of experience in CAD-based kitchen design, showroom sales, and client consultation across residential and contractor projects.

I specialise in turning floor plans into clear, production-ready kitchen designs using CAD software, and guiding clients through structured design consultations, pricing options, and project finalisation. My background combines hands-on kitchen design with real showroom sales experience, allowing me to both create accurate designs and support clients through the decision-making process.

I'd welcome the opportunity to support your team and contribute from day one. I'm available to start immediately.

Thank you for your time,

Ivan du Plessis
