Ivan Creatives Produced In The Last 4 Months For Jeff Miller & Clients

August to November (2024)

This is private, please do not share with anyone else - for your eyes only!

Notes

- Every day I hop onto Canva and create 3-6 creatives per client.
- Many times he gives me a swipe example of what he wants
- Or i make my own creative for him
- Jeff then chooses what he wants
- He writes the ad copy and sets up the campaign
- My job is to come up with different creatives
- Angles and ways to say the same thing.
- You constantly need fresh creatives
- Below are examples of my work
- I am situated in SE Asia, been here for 6 years already
- Am set up with my own home office, strong wifi connection
- Looking for permanent stable long term work… Let's Go!
