Hi Hiring Team,

I'm Ivan du Plessis — an experienced sales and client-facing professional with a background in inbound lead qualification, appointment setting, SaaS sales, and high-volume client consultations.

I specialise in responding to prospects, building rapport, identifying needs and buying intent, handling objections, following up consistently, and converting qualified leads into booked appointments. I've also worked extensively with CRM systems, sales pipelines, and appointment-based sales processes, including Salesforce and GoHighLevel.

You can view my **Appointment Setter website resume** for examples of my sales calls, appointment-setting experience, lead-response work, and previous projects:

I'm looking for a long-term opportunity where I can settle into a strong team, consistently deliver results, and become a valuable member of the company. I'm available to work U.S. and global time zones and can start immediately.

I'd welcome the opportunity to speak with you and discuss how I can contribute to your team.

Thank you for your time,

Ivan du Plessis
